

Surprise, **FACEBOOK** users!!!

-**ANYONE** can access facebook (parents, potential employers, professors, criminals, non-students...)

-**ANYONE** can see your personal contact information, your profile, your comments, your pictures, etc...

-Don't think FACEBOOK is *private*...

because it's **not!**

-Don't think FACEBOOK is *anonymous*...

because it's **not!**

-Don't think FACEBOOK is *meaningless/harmless*...

because it's **not!**

-The words, "**Welcome to Facebook,**" are **DANGEROUS** ones at that!

-Be **AWARE** that you are representing who you are as a person all over the internet and to an unlimited number of people!

-Be **AWARE** that whatever you put on the internet *anyone* can view & can have consequences, either at your own expense or for another!
