

Horoscopes

♈ Aries (3/21 - 4/19)
The end of the road may seem near to where you are right now, but it doesn't have to come so fast for you. If you choose, draw a new road for yourself to walk along. Be happy and healthy and your road will expand itself.

♉ Taurus (4/20 - 5/20)
Senior project draws to an end as the school year diminishes. Though your grades may seem low right now, just do your homework and all will turn out fine if you give it time.

♊ Gemini (5/21 - 6/21)
Trusting your friends may seem like a task, but the true task comes when your friends have trouble trusting you. Be true to yourself and your friends or your social life may come to an end.

♋ Cancer (6/22 - 7/22)
A star hangs low to the ground as it tries to lift its spirit. It can't shine bright because it won't let itself. You yourself are like this star. You are the reason that you are hindered in certain things.

♌ Leo (7/23 - 8/22)
Do you talk too much? If you do, you may be putting people off by your attitude. Although you like to chatter the day away, not everyone appreciates your uncomical banter.

♍ Virgo (8/23 - 9/22)
The fountain of youth has come to know you well. Although you may want to be young forever, the time has come for you to move on and find your way in the mass chaos of society. Though it may seem hard at first, after working at it, the ideal job will come right to your door.

♎ Libra (9/23 - 10/22)
Tripping through the doors of life has brought you to face your biggest fears. The way may not be as straight as an arrow, but the prize will be so rewarding that you will soon forget the journey and remember the end.

♏ Scorpio (10/32 - 11/21)
There's a bright future in your midst as long as you keep working hard. Don't let the other people get you down with their talk about the destructive future. Let yourself be free and fly your own plane.

♐ Sagittarius (11/22 - 12/21)
The world has crumbled beneath the feet of human kind before, but with you as the future it will certainly never fail again.

♑ Capricorn (12/22 - 1/19)
Try as you might, you can't get that one special person in your life to say yes to you. Maybe it's not meant to be, but don't get down, for the life of the party is the town. Don't be guarded and try to hide, just get out there and enjoy the ride.

♒ Aquarius (1/20 - 2/18)
You are able to bring true love together, but as for yourself you have trouble. Take a break and find someone for yourself before pairing up others.

♓ Pisces (2/19 - 3/20)
Your body goes through changes as it grows and no matter how awkward you feel now, just know that in 10 years you will be as beautiful as a pot of gold. For now focus on your inner qualities that set you apart from the rest of the crowd.
